

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

Can you imagine having to sit next to someone and listen to their conversations for possibly hours on end? The flight attendants would also have to struggle to get their attention also. Just a plain bad idea.

Please leave the current rules in effect.

Sincerely,

R Dunmire
